

Award of Public Funds. Defaults and Material Breaches including Non-Compliance, Under-performance and Mis-Representation

As part of the LEP award of public funds, applicants will be required to agree to producing and submitting progress reports and claims to the LEP. The contractual requirement for monitoring will last until the project end date when all contractual obligations have been achieved. Please note that this process may vary depending on each individual investment. The LEP's monitoring will cover a range of LEP investments, and will not be limited to Local Growth Fund. The following flow chart provides an example of the process for resolving non-compliance, under performance or mis-representation;
